NOTES OR COMMENTS:

If any of these 14UA games need to be a later start please discuss with your opponent and you can change the start time to accomodate your kids and their Track Schedules or anything else. I know while school is still in session this might be the case. I am fine with it being scheduled at whatever time you guys see fit. It doesn't have to be the 6:30 or 8:00 time slot. 14UA - If you want to add a game to your schedule please discuss with someone you only play once and see if you can line up another game. The teams that only have 10 games it is totally up to you if you want to add more games.
